Seeking Patrons for Titan's Music at LFMSS

An easy and exciting opportunity for your business to support Langley's most rapidly growing music program!

Langley Fundamental Middle Secondary boasts one of the most vibrant, inclusive, and successful music programs in the district. With over 1/3 of the school involved in music, we pride ourselves on providing a holistic music education that allows students to explore their passion for playing, singing, composing, and mentoring. Ranging from grade 6-12, the music department is constantly growing and introducing new students to the power of music. Our program includes a wide array of classes, ensembles, and creative endeavours for students including (but not limited to) choirs, jazz bands, concert bands, songwriting, conducting, and student-led mentorship opportunities. Ensembles in the program have received multiple invites to MusicFest Canada, the International Vancouver Jazz Festival and are highly sought after in the community. We also offer music tours for both our junior and senior students, sharing our love of music in places such as Victoria, Kamloops, Disneyland, and New York, to name a few.

With community at the forefront of our philosophy, the music department at LFMSS continues to grow and offer these spectacular opportunities to students. However, these opportunities are only possible with the help of businesses and individuals who believe in the power of music.
